

DISHWASHER WANTED AT HELENEKILDE BADEHOTEL

Helenekilde Badehotel is looking for a responsible and self-reliant dishwasher to help keep our kitchen running smoothly and spotlessly clean. You are someone who can take ownership of the task, make independent decisions, and follow closing procedures, ensuring the kitchen is left clean and tidy.

Evening and weekend shifts are a natural part of the job, and you thrive as an important team player in a positive and social work environment.

At Helenekilde, you'll become a central part of a team that values generosity, dedication, and authenticity – in our service, our teamwork, and everything we do.

WE OFFER:

- A beautiful and inspiring workplace by the sea
- A warm, respectful, and inclusive work culture
- Fair conditions and salary based on qualifications
- Possibility for both full-time and part-time positions

WE EXPECT THAT YOU:

- Are reliable and work efficiently
- Take pride in cleanliness and order
- Thrive in a team but can also take responsibility on your own
- Are flexible and open to evening and weekend work
